

Valentine Heart Tree

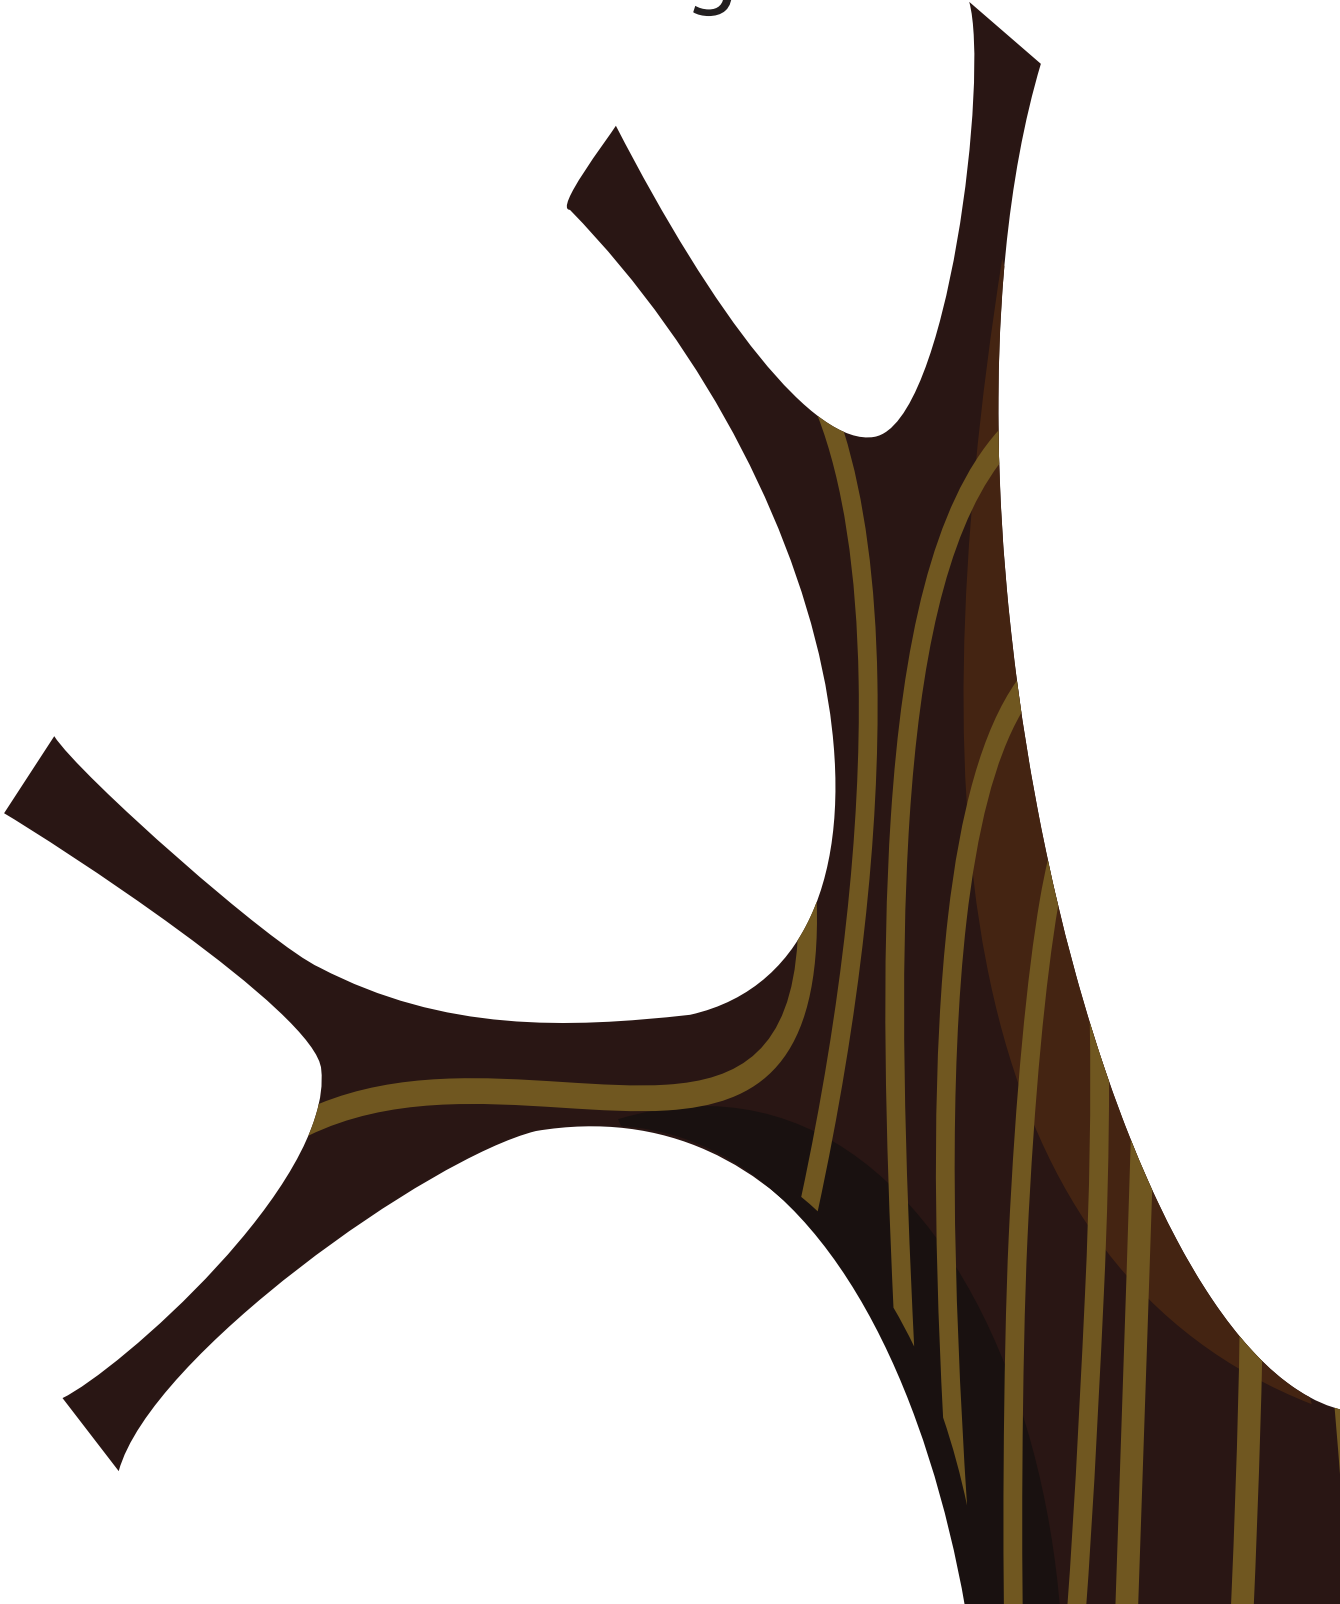

Print and customize this paper tree for Valentine's Day!

Directions:

- 1 Print, cut out, and tape together pages 2-6 to make your tree trunk. Use masking tape loops to hang it on wall. Hint: Start with page 6 (the main trunk) and build up from there.
- 2 Pages 7 and 8 are heart shapes to print and cut out, or have the children cut their own out of construction paper.
- 3 Customize each heart with a Valentine's message.
- 4 Tape the hearts over and around the branches like leaves on a tree.
